ALTERNATIVE CHRISTMAS GIVING

There are always people on your Christmas gift list that are so difficult to buy for because they have EVERYTHING! Alternative Christmas giving is the perfect gift for someone like that! Alternative holiday giving is a way to honor Christ's birth by continuing his work in the world. Most traditional Christmas gifts are consumable goods that are soon forgotten, but alternative gifts are sustainable AND transform lives!

Our vision at Hannah's Hope is "*We are a growing, loving ministry dedicated to the healing of God's children (pregnant women, families seeking to adopt and children who need to be adopted) through adoption and pregnancy counseling.*"

Suggested giving levels:

\$10 (buys 1 pack of diapers for new moms who attend a support group or class)

\$30 (buys maternity clothing for a pregnant woman)

\$50 (buys groceries for a pregnant woman in need)

\$75 (fills a birth mother care bag)

\$100 (provides one hour of counseling (with case management) for a pregnancy client)

When you purchase a "gift" from Hannah's Hope, a holiday card will be sent to your friend or loved one announcing your gift and describing the way in which it will make a positive impact on the life of a woman and her unborn child. If you will simply visit our website (www.hannahs-hope.org) and click on the "Alternative Christmas Giving" photo, and provide the necessary information and make your payment, we will make sure your holiday greeting will be delivered to your friend or loved one in early December. (Remember, Hannah's Hope is a 501c3 non-profit agency and all contributions are tax deductible!)
